NUMBER 112

SUNDAY SCHOOL WORKERS HERE

LEADERS IN S. S. CIRCLES IN CITY FOR BIG PROGRAM

Program for Today
Morning
Convene at 10 o'clock.
Devotional Period.
Bible study 10:15.
Address—"Boys and Girls or Live Stock," Harold Post, 10:45.
Conference Period, 11:15.
Afternoon
Song service, 1:00.
Address—"Small Sunday School in Action," Ernest S. Page, 1:15.
Business Session, 1:45.
Training Leadership, Dr. George C. Butterfield, 2:15.

The Contra Costa County Sunday School Convention opened at the First Christian church, 6th and Bissell streets last night. President Irville Gilbert of Walnut Creek, presiding. Aubrey Wilson lead the song service and Harold F. Post, of Berkeley, state Young People's division superintendent spoke on "Leadership."

Charles R. Fisher, state superintendent of the California Sunday School Association delivered a most interesting address on the World's Eighth Sunday school convention at Tokio last October, at which thirty different nations were represented by 1800 delegates. The habits of the Japanese people were vividly portrayed by over a hundred beautifully colored slides which interestingly brought the land of the Far East in vivid and interesting contrast.

The Convention will be in session this morning and afternoon, commencing with a devotional period at 10 o'clock. Harold Post, state Young People's superintendent will speak at 10:45, his subject being, "Boys and Girls or Live Stock." The afternoon will open with a song service at 1 o'clock to be followed by an address on "The Small Sunday School in Action," by Ernest S. Page, president of the Alameda County Sunday School Association. A business session will follow and Dr. George C. Butterfield, Presbyterian Sunday School Synodical Representative will deliver an address on "Training Leadership."

Big Dance

given under auspices of

American Legion
Baseball Club

at

East Shore Park

Saturday Evening

May 14th

Shaw's 8 piece jazz orchestra will furnish the music

"Can Flowers! I Want Work Says Yank

"Sympathy was all right in France when I was lying on a couch with an ugly hole in my side from a piece of Prussian lead, and my temperature was racing up like five hundred. But say, I'm strong and healthy now, and what I want is work that will give me three meals a day and a decent place to sleep," said a rational veteran of the World war to a Record-Herald reporter.

Some folks may think that chap has got the wrong angle, but he told his newspaper buddy that he is "all fed up" on eulogies and poems and panegyrics that are written by women who sit in swivel chairs and delivered by orators who ride to and from soft jobs in big touring cars.

Oh no, he's not sore or sour or grouchy, but he says "give me a job and can the flowers. 'A man must eat!'"

There you are, Richmond business people.

What are you going to do about it? The doughboys and "leather-necks," and the machine gun devils and the engineers and the ambulance slaves and the others who quit jobs and marched away and were gassed and shell shocked and lost a lot of time from civilian pursuits, are merely asking for a square deal.

Would you offer them less than that?

The American Legion is keen to place every Yank in a job where he can look the world in the face. If you've got a job open, or can get a line on one—a man's job, for decency's sake get in touch with T. N. Calfee.

Gas Takes Drop of Two Cents a Gallon in State

Gas at twenty-four and a half cents a gallon.

That's what the juice for your limousine or town car or dusty roadster will cost.

The Standard Oil announces a cut of two cents a gallon in gasoline, which brings it to the retail trade at that figure. Dealers will pay two cents more a gallon.

Fuel oil will be cheaper by twenty-five cents a barrel. And the price that the Standard will pay for crude oil will be twenty-five cents less the barrel.

The Shell and the Associated will follow the lead of the Standard in the opinion of the trade.

Richmond Bankers Will Attend Antioch Meeting

Bankers of Contra Costa county tonight will meet at Antioch at the tri-annual sessions of the Contra Costa Bankers' League.

"Building Business for Country Banks" will be the subject of an address by C. W. Panta, vice-president of the Wells-Fargo Nevada National Bank, of San Francisco.

Among those from Richmond who are scheduled to attend tonight's session are Larkin J. Younce, vice-president and cashier, Ivan T. Conn, assistant cashier and John Regolio, teller, First National Bank.

Attorney Clare D. Horner transacted business at the courthouse at Martinez yesterday.

Incinerator Endangered By Injunction Threat

The city garbage question bobs up in another guise.

Residents of North Richmond, numbering around one hundred, will be heard by the city council Monday night when formal protest against the erection of an incinerator in the Industrial Tract will be filed.

The householders on the petition assert that an incinerator not only will reduce their property values but that it may become a public nuisance.

Should the city council act adversely on the petition, there is a tentative threat of carrying the matter into the court by the injunction route; that a flat may be sought in the superior court.

To add to the interest of next

Monday's meeting, the objectors to the incinerator probably will be on hand in large numbers.

The question as to the incinerator constituting a nuisance is bringing up some interesting questions of law—interesting to the attorneys. It is contended that the council may not anticipate what might become a nuisance, and prohibit the erection of an incinerator.

It has not appeared whether a court will be asked to take judicial notice that an incinerator, like a fertilizer plant or a glue factory, being malodorous would become odious, and asked to grant the writ.

The petitioners are represented by the local firm of Pierce & Carlson.

Los Angeles and Pasadena and San Diego.

And the funny thing about this queen contest is that all you've got to do is send your photograph to the Chamber of Commerce, Wallace will do the rest.

Come on girls. Get in the game. Make the other towns sick.

Dance This Evening to Aid Washington School Show Fund

This evening at the Washington School at the Point, the Parent Teachers Association of the west side will give a dance, and the money raised will be applied on the purchase price of a moving picture machine.

The outfit to be bought will cost \$700, and after it is received it will be used by the pupils of the schools in staging shows.

LAUNCHING OF FERRY LURES RICHMONDITES THIS EVENING

All aboard! The hour is 4:45.

The place the Chamber of Commerce.

The occasion the procession to Alameda for the launching of the super-ferry, "City of Richmond."

It's going to be a great day for this port, the formal releasing from its moorings of the big boat that is going to haul thousands of motorists between Richmond and the Marin county port.

William Kent, prominent philanthropist of Marin county, is scheduled to make a speech.

From Richmond there will be the Mayor, who will speak for this port in acknowledgment of the city's gratification at the formal launching.

E. J. Garrard is going to act as master of ceremonies.

Mayor John Davis, of Oakland, is going to have a few words to say. Secretary W. J. Wallace, of the Chamber of Commerce, wants to see every car in the city that can travel on the highways lined up for the procession. He believes that Richmond will fall in line with unanimity and show "on down at Alameda" that this city is a pip.

There's going to be a big bunch of boosters swoop down out of the hills of Marin, and Richmond has got to let Oakland know that it isn't putting her still further to the fore in the galaxy of good and growing bay cities.

There will be banners for the cars and a fine band. Richmond! Own, to keep the morale high.

It happens that this bay has been officially designated Automobile Day by Gov. Stephens, and it's a great opportunity for motorists to kill two birds with one stone by having a fine holiday and by augmenting the crowds that'll be marshalled at the Chamber of Commerce at 4:45 this afternoon.

Let's go!

SEVENTH-DAY ADVENTIST CHURCH SERVICES

Corner 13th and Ohio streets.
Pastor, William A. Johnson.
Sabbath school (Saturday) 10 a. m. Preaching 11 a. m. Subjects of lectures during the week at 7:45 p. m.: Sunday, "The Standard of the Judgment." Tuesday, "What Terminated at the Cross." Thursday, "The Relation of Law to Gospel." A welcome to you.

Employment of Aliens Scored by Legion Leader

At the regular business meeting of the American Legion at Odd Fellows' hall last night, Nelson G. Welburn, assistant to the district revenue collector, made a forceful address which was roundly cheered by the members. Mr. Welburn told the members that he thought the ex-service men should not be forced to appeal to public organizations for help, as they did not desire charity.

In his talk he was reminded of the times when conscription was in effect and voted a query if the time was not ripe to conscript the industries of the country. It seemed to the speaker that more concern was

shown the industrial profit wounds than were accorded the wounds of men of working conditions. Welburn cited the fact that in one department at the Mare Island Navy Yard over 250 aliens were employed, to the exclusion of many former service boys who were out of work. A show down was forecast by Welburn between employees and men over the question of aliens holding down jobs left by ex-service men who fought for their country.

The local post is planning to form an exchange for the purpose of employing ex-service men.

Minstrel Show Will Follow Lodge Meeting of Elks

The Sniola Shines are again entertaining the Elks on next Tuesday evening with something different in the minstrel line.

H. E. Jacobs the star of the evening claims that this will undoubtedly be the best show that has been put on at the club in many months. The songs and jokes have been especially written for this occasion and in cleverness can hardly be surpassed anywhere, which only proves that the best talent is not always found in the east. And so little credit is due the Shines for their many long and weary nights of hard work perfecting themselves in such a way as to bring credit upon the Coop.

The show will be given in the lodge room after the regular business session and preparations have been made to take care of an extra large attendance.

Girl Victim of Auto Accident Gets Best Attention

The injuries to little May Thompson sustained when she collided with a car driven by Joe Esola are giving surgeons great concern. It may be necessary to use silver plates to make the necessary repairs.

Esola is seeing that all attention necessary is given the little girl who is sick at Cottage hospital.

Esquire Rank is Conferred by K. P. No. 13 Session

Richmond Lodge K. P. No. 13 held their regular business meeting last night C. Donley presiding. The Esquire rank was conferred on four pages, and visitors from the Elm lodge and 103 at Oakland were guests.

Modern Woodmen Plan Big Banquet Adoption Night

Venerable Council A. Bright presided at last night's regular business meeting of the Modern Woodmen of the World at W. O. W. hall.

Ten candidates it is expected will be initiated by officers of the camp at the class adoption May 27, on which night it is planned to give a big banquet.

Those serving on the social committee are I. Kitchen, C. H. Campbell and E. Estes.

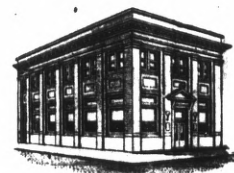

RICHMOND HI ATHLETES WIN ALL EVENTS OF TRACK MEET

Richmond Union High School won the four-cornered track and field meet yesterday afternoon at the 'H' athletic field from John Swett High School of Crockett, Diablo High of Concord and Mission High of San Francisco, rolling up a total of 83.50 points or more than their opponents could muster combined. John Swett School took second place with 23 points; Mt. Diablo third, with 19, and Mission High brought up the rear with 15.50.

For over two hours the withering pace set by the youthful Spartans from the Richmond school rolled up a big point majority. It also demonstrated the excellent athletic qualities possessed by Hale Stoddard, Artie Fisher, Spencer, Arnold, Lloyd Jackson and "Turkey" Fitzgerald that would justify the prediction that this sextet would step into the shoes of the Paddocks and Hutchins when their college days caught up with them.

Mrs. McLaren Proud Perhaps the proudest of the spectators who crowded the side lines at the meet was Mrs. C. McLaren high school director of physical education, who is one of the most enthusiastic boosters of sports anywhere. Mrs. McLaren's energetic efforts at the track meet yesterday went a good way to stimulate the local prodigy's morale and she was repaid by seeing her boys victors after as spirited a track meet seen in recent years.

Art Fisher, junior, all around athlete. (Continued on Page 3.)

OFFICIAL PAPER CITY OF RICHMOND

THINKOGRAPHS by F. J. HULANISKI

SATURDAY SUMMARY

There are no strikes going on in Richmond, and it is to be devoutly hoped there will be none, as right now is a mighty bad time to go into the strike business. But there are a number of big ships tied up at Richmond wharfs that cannot sail on account of the strike of the seamen, and the same is true in every port all over the country. Many thousands of men are idle, the shipping of the country by water is paralyzed and millions per day are being lost, both by the shipping interests and the men. It is bad business. This is no time to strike, with four or five million men out of work in the country and no telling when they will get a job. Seems to us that if we had a job, with a fair and reasonable wage, we'd nurse it instead of going up in the air and out on strike. There are also forty thousand paper mill workers out on strike, on a demand for an increase of wages. Also, this is no time to demand an increase of wages. There is time and place for every thing, and right now, with the unsettled conditions all over the world and industry wabbling between hay and grass and not knowing what it can do, is the time to be conciliatory by every man, be he employer or employed. Those who do not recognize this great and important fact are off wrong in the head, and the result for them is bound to be disastrous. It cannot be otherwise.

Everybody out in the editorial 2x4 ranch section of town is busily engaged in hard work, tending to their knitting, and getting along fine. We keep tab on all the bad actors out there, and if they do not walk the straight and narrow path we ball them out in the paper, so they are afraid to do otherwise. We have more trouble with Frank McCausland, Powell, Cliff Weldon and Ed Hurlburt than all the rest, for unless herded carefully they will break out of the righteousness corral. We've just simply got to go to heaven before they start, so we can knock off a few palings from the fence, or they will never get in. But they are all mighty good neighbors, and we have lived in peace and friendship for years, with never a row of any kind. We borrow each other's garden tools and tobacco, and get along fine. Gus Winkler has rented his home place to a new family, a Mr. Wood, of the Union Ice company. He is a quiet neighbor, but likely cuts a lot of ice. Neighbor Croker is building a new fence around his home, as he has a horse, two goats, lots of chickens, a dog and a flock of turkeys so keep herded. He also has built on an addition to his home. Neighbor Tony Valencia keeps right on improving his home place, which is now something very nice. Tony is a hard worker and a good fellow. Neighbor Huer has moved his house forward a bit and will build an addition, and Neighbor Wood is building a new bungalow to house his better half and kiddies. Neighbor Manuel Ferera is likewise building on a substantial addition, and we have just had twenty-four babies born at our home—baby chicks—so you see we are all busy and producing.

We note from the local end of the paper that Mr. Gale, the erstwhile garbage man who threw up his job because he couldn't handle it or make good on it, threatens to sue the city for something over a thousand dollars he says the people would not pay him for hauling away their garbage. This is the season of the year in California when wind always blows a Gale. The chances are that if the people did not pay him it was because he did not give them service, and that is about the size of it, because the people of Richmond are not the kind that refuse to pay little

bills of that nature unless there is a reason. The Italians who handled the garbage for years never had any trouble about their collections, because they gave service, and that is what the people want and what they will pay for, and they won't pay for a half way or poor service. At any rate, the city did not guarantee to collect this man's bills for him, and if he sues for it he will have a worse time getting anything than the aches have had with Germany. We move that the Richmond garbage problem be sent to the League of Nations, with request that an ultimatum be sent to McVittie, the Italians, Gale and everybody else who have failed to pay proper indemnities, reparations, alimony or anything else.

Along back some eighteen years ago or so, when the Standard Oil Company located at Richmond, twelve hour shifts were the rule, not only with them but with other industries, and every two weeks, when the change of shift came, the men worked a straight twenty-four hours. Wages then in most all mechanical lines average about \$4 a day, and nobody went to work in an automobile. Now it is a whole lot different, and better. Higher wages prevail almost double; and eight hours constitutes a day's work. The workingman is better housed, better clothed, his family have comforts and luxuries, his children are being educated, and as a rule he has a bit laid by in the savings bank. More of them own their own homes by ten to one than used to, and about half of them have a dicker and take the family out to see the country on the layoff day. This is as it should be. The worker is entitled to all that, provided he does his part by giving an honest day's work for the wage he receives and the better conditions he enjoys.

A new departure in co-operative policy is being demonstrated by the two towns of Pleasanton and Livermore. They are neighboring rival towns, but have quit being rivals and gone to being friends and co-workers instead. When one gives a blow-out of any kind the other attends and each boosts the other as well as itself. Now, why is that not a good scheme, not only for all towns but also all people? If business men would pattern after that example they would all prosper more and fare better. Instead of knocking another man's goods, or the property he is trying to sell, boost for it, and say a good word for it; then he will soon come to doing the same by you, and the result will be that both will prosper, instead of each driving customers away from the other. That is the way Los Angeles real estate men do—they boost each other's property, instead of knocking it, and the result has been, as everybody knows, the rapid growth of one of the most marvelous cities in America, out of practically nothing at all except climate and pluck. There is a small sprinkling of grouches and kno-kers in Richmond who ought to get wise to these facts, and to themselves, and change their tactics before their dispositions sour on them and their innards get all clogged up with mould.

After all the fuss and feathers, the only change made in the personnel of the city council is that Harry Plate will take John Gerlach's place on the Board. Otherwise the council remains as it was. Those who did not get elected have our congratulations, for the are the lucky ones, although maybe they don't know it. If there is a thankless job on earth it is that of city councilman. It is utterly impossible to please more than half the people, and so it is damned if you do and damned if you don't, with a salary attachment just about big enough to buy gas for a Ford. Those who failed of election can now attend to their own business, make money and have friends.

ONE WEAK SPOT

Many Richmond People Have a
Weak Part and Too Often
It's The Back

Many people have a weak spot.
Too often it's a bad back.
Twinges follow every sudden
twist.

Dull aching keeps up, day and
night.
Backache is often from weak kid-
neys.

In such a case kidney medicine
is needed.
Doan's Kidney Pills are for weak
kidneys.

For backache and urinary ills.
Richmond people recommend the
remedy. Ask your neighbor.

Mrs. E. P. Howard, 575 N. Ninth
St., Richmond, says: "I keep
Doan's Kidney Pills on hand. I
know the value of them. I have
used them when my kidneys were
weak. I felt dull and languid and
had frequent headaches. My back
ached and my kidneys didn't act
right. I read of Doan's Kidney
Pills and procured some at La-
Moine's Drug Store. They were
just what I needed. They soon rid
me of that tired feeling and strength-
ened my back and kidneys."

Price 60c. at all dealers. Don't
simply ask for a kidney remedy—
get Doan's Kidney Pills—the same
that Mrs. Howard had. Foster-Mil-
burn Co., Mfrs., Buffalo, N. Y.

"Misfits" Sermon
Subject Sunday,
Wesley Church

Services of unusual character will
be conducted at the Wesley Metho-
dist church Sunday night. Following
the usual fifteen minute song ser-
vice, the Male Quartette composed
of Messrs. Griffin Morrison, Ben
Banner, Wm. Osborn and Wm. J.
Thompson, will sing by special re-
quest, "The Wayside Cross." The
choir will render an appropriate
selection and the pastor will deliver
a special discourse on "Misfits."

The pastor, Rev. Paul Little, will
conduct his questionnaire which cov-
ers a wide field. As the time is
limited, many of the questions sent
to the pastor will have to wait their
turn.

1. Do you know whether the po-
lice and fire departments "played
politics" at the last city election?
2. I am a wife whose husband
comes home frequently drunk, and
abuses not only myself but the chil-
dren who dread his coming home.
What should I do?
3. Can an intelligent person be
immoral?
4. Do you believe moving pictures
have a great future?
5. What will make the President
a failure?
6. Is it good for the press to
publish the scandals in society?
7. Why is Plato considered to be
such a great man?
8. Who is the greatest poet to-
day?
9. Will you as a Methodist min-
ister be willing to extend the right

hand of fellowship to a Unitarian?
10. Why is it that the labor
unions, though strong in Richmond
could not elect their own candi-
dates?

Baptist Minister
Says He Likes
City of Richmond

The recent arrival in Richmond
of the new pastor of the First Bapt-
ist church, Rev. C. R. G. Poole,
adds another good citizen to the
city's roster.

Mr. Poole hopes soon to be joined
by his family who will remain at
San Diego until the schools close.

The pastor has a son who recent-
ly has been given distinguished
recognition as an essayist. One of
his theses "Why a Young Man
Should Enlist in the United States
Army," won for him a cash prize

of fifty dollars and a silver cup,
in competition with a large num-
ber. He also has written a scenario
which is to be given a try-out.
The young man is blind but that
incident proves only a slight handi-
cap, and he is going steadily on in
his intellectual development, pursu-
ing his collegiate course unabated.
The minister formerly resided in
Eureka. He likes Richmond. Rich-
mond is going to like him.

Pioneer Electric Co.
Announcement

The Pioneer Electric Co., business which
has heretofore been conducted by Chas. S. Ren-
wick as an individual has been succeeded by the
Pioneer Electric Co., a corporation, which will
continue the business with Chas. S. Renwick and
Jas. R. Cravath as officers. This does not mean
that "Renwick is selling out" as has been rumo-
red but that "Cravath is buying in" and that the
Pioneer Electric Co. is expanding and preparing
to serve its customers better than ever before.
Mr. Cravath, who is taking a large interest in
this company, has recently moved here from Chi-
cago where he has been a consulting electrical
and illuminating engineer of national reputation
as well as the executive of various electrical en-
terprises. The company will therefore be able to
offer its customers the highest grade of engineer-
ing services and advice along with its construct-
ing and merchandising organization.

We solicit your continued patronage and
appreciate that already given us.

Yours for Service,

Washes Lacy Curtains
Without Wear or Tear

The Electric Washer is Particularly
Serviceable at Housecleaning Time

Your curtains and draperies can always be
fresh and attractive, if you have an Electric Washer
in your home to make their washing easy.

A tubful of clothes, snowy-white and spot-
less, every 10 to 15 minutes, is evidence of the speed
with which the Electric Washer does its work.

Washing large, lacy curtains of sheerest
fabrics is no more of a task for the Electric
Washer than the cleansing of the simpler
things.

Children's Night Party Given by Eastern Star

A delightful Children's Night party was given by the Acantha Chapter of Eastern Star last night at Masonic hall which was an enjoyable medium of entertainment to an audience that packed the hall to witness the pleasing program of dancing, recitations and music given by the children.

Mrs. C. C. Olney was chairman of the evening's festivities for the little ones and the entertainment was finished as all children's parties should conclude—with an ice-cream party.

Among those who took an active part in the jollity were: Kathryn Radcliffe, in a piano solo; Zoe Hollenbough in a spring dance, accompanied by Rose Hollenbough; Rosie Hollenbough in a vocal solo; a recitation by Francis Stiver; Esther Poulson, in a dance accompanied by Mrs. Burdeck; Florence Little, piano solo; Grace Olney, recitation; Velma Hutchins, dance, accompanied by Mrs. Ruth Newcomb; Zoe Hollenbough, vocal solo; Jane Olney, song; Neha Neville, in a recitation; a dance by Elizabeth Lautenschlager and Ruth McNally, accompanied by Mrs. Newcomb; violin solo, Andell Mansfield, accompanied by Florence Little; recitation by Martin Lewis and a piano solo by Elizabeth Stiver.

The entire program received the plaudits of the audience who voted the children's offering one of the best staged in Richmond lodge circles.

Delegates to San Jose Named by Fraternal Aid

The Fraternal Aid Union held their regular business meeting at W. O. W. hall last night which was the scene of a large attendance.

The delegates to the district convention at San Jose May 21 were elected and refreshments and cards concluded the meeting. Those who will be delegates at the coming convention are J. P. Reeves, R. W. Hansen, George F. Black and Mrs. E. Caldwell. The mascot of the order was in attendance at the meeting.

Two Divorces Are Granted at the County Capital

Two divorces, one final and one interlocutory, were granted today by Superior Judge A. B. McKenzie at Martinez. The final decree was awarded to George Fink in his suit against Alice Fink and the interlocutory decree was granted to John P. Godman in his suit against Ada M. Godman.

Tool Thieves Are Active in Cities of East Bay

Garage owners, blacksmiths, carpenters and others who work with tools and implements in Richmond are warned to closely guard their shops.

It is reported that an organized gang of competent tool thieves now are operating in the cities of the East Bay section.

One theft is reported of 300 feet of pipe from an Oakland establishment, and tools valued at several hundred dollars have been stolen within the past fortnight from places in Alameda county.

The Drill Team of the Ladies Will Initiate

Liberty Homestead of Yeomen held their regular business meeting last night at Moose hall. This being Ladies month, Miss Vivian LaSelle presided. A dance for the members followed which was greatly enjoyed by the large attendance.

A big time is planned for the night of May 20th when the new candidates will be initiated by the Ladies drill team.

S. F. MARKETS
SAN FRANCISCO, May 13.—Egg prices were off 1-2 cent and undersized pullets 1 cent during the week-end closing session of the San Francisco Wholesale Dairy Exchange today. Extra choice butter was in demand and the price advanced 1-2 cent. California Y. A. fancy cheese went up 1-2 cent.

Around Our Town

After the show drop in at the De Luxe, 1100 Macdonald avenue for a delicious milk shake, dish of National Ice cream of high grade candies. We are making a raise on a quality platform, Parker, photographer, 255 12th street. 4-22-11

Dressmaking, plain or fancy. Inquire 425 Bissell. 4-19-11

If any resident of Richmond knows of families in distress or need kindly report same to the Societies handling relief. Phone Richmond 1430 or Richmond 335. 3-25-11

New T. & D. May Be Ready to Open Christmas

It is the hope of the builders that the new T. & D. theater will be ready for business by Christmas. This hope has some foundation in the arrival here of the heavier timbers for the mezzanine and dome. The theater will be one of the finest of the east bay region, with a 1600 capacity.

Guild of Saint Edmunds Holding Food Sale Today

The St. Edmunds Guild food sale will start this morning at 10 o'clock at Schraders Furniture store 7th street and Macdonald.

Mrs. O. T. Miller is the chairman of this appetite teasing event, and she states that the delectables that will be for sale will be pies, cakes, beans and salads.

St. Elizabeths Court W. C. O. F. Give Card Party

The ladies of St. Elizabeth's Court W. C. O. F. gave a card party last night at K. P. Hall which drew a capacity attendance of whist devotees. Mrs. Margaret Carey was chairman of the evening.

The large attendance disproved the cobwebby assertion of the "Friday 13" hoodoo bugaboo. Nine prizes were awarded the winners.

Mrs. Annie H. Jarvis Named President Ladies G. A. R.

Friends in Richmond of Mrs. Annie H. Jarvis, of this city, are rejoiced at her election to the position of president of the Ladies G. A. R. in session at Stockton, according to announcements received here. Mrs. Jarvis has been an active worker for the organization and affiliated bodies.

Warehouse Work Will Begin at Wharf Very Soon

Work on the new \$150,000 warehouse to be erected adjoining the municipal wharf by the city of Richmond, will commence without delay. The pile driver and many tons of piling already are on the ground, and the foundation work soon will be started. Hannah Brothers, who for the world's heavyweight championship has been settled, Tex Rick-

After months of negotiations and, the promoter, has decided upon is estimated that the cost will be every detail for the staging of the "Boyle's Thirty Acres" in Jersey about \$100,000. Richard is seen here City as the site for the arena which guiding the first horse-drawn level will seat at least 50,000 persons. It is used on the site.

American Legion Will Dance at East Shore Park

The East Shore Park dance hall will be beautifully decorated tonight for the American Legion baseball club dance, as a result of the activities of Reif Schneider, E. Miller, E. Lambrecht and G. Tandy who gathered a few automobile loads of ferns and holly for the purpose. An excursion yesterday to Grand Canyon Park that lasted until midnight insured the dressing up of the dance pavilion which is ready for the large crowd that will turn out to give the former service lads a big send-off.

Shaw's famous jazz orchestra has been secured for the occasion and Committeemen Clinton Smith and Ernest Miller state that the refreshments will be the kind that will call for "seconds."

Something novel is promised in the resurrection of the old quadrille, the secret of which the committee refuses to divulge.

DRIVING A DODGE COMES EASY TO DENNIS

F. J. Dennis, popular Standard Oil employee is known among his friends as being "a man of few words," and this was no exception when he walked into the salesrooms of J. P. Strom a few nights ago and said: "If I buy one of those new Dodge Brothers touring cars, will you teach me how to drive. I have never driven a car of any kind in all my life." Mr. Strom said "It's a go." The deal was made right there and in three lessons, or in a total time of two hours teaching by his competent instructor, Dennis was able to handle the car all alone and the other day he took a crowd of his friends down to San Jose just to show them how easy it was for anyone to drive a "Dodge."

STANDARD GETS ANOTHER
Standard Oil Company of California has brought in its seventh well at Huntington Beach. The well came in Thursday at about 500 barrels a day. This brings the company's production in this new field to between 4000 and 5000 barrels a day.

America's polo stars are hard at work in England getting in condition for the international matches in June. The ponies, which went over some time in advance of the players so that they might become thoroughly accustomed to climate

condition, are reported to be in excellent shape. The photograph shows two members of the American team during practice at Sunbury. They are C. C. Ramsey and Thomas H. Cheock, Jr., on the white pony.

Board of Governors May Be Named by Kollege Klub

The Kollege Klub, to meet the demands incident to its great growth, is discussing the advisability of naming a sort of board of governors. The club is purely social.

At tonight's meeting action is expected to be taken upon the tentative plan.

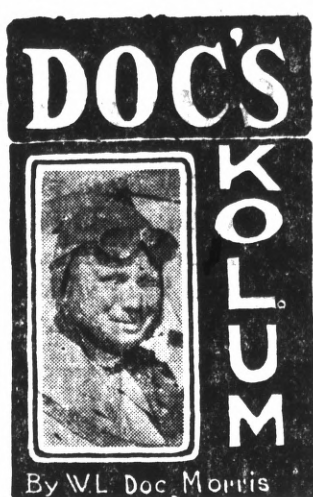

Some smart stunt enshrouded in mystery will be offered at tonight's meeting by G. C. Combs, L. H. Blystone and Tom Nixon.

**S. F. SALESMAN BUYS
FIFTH DODGE FROM STROM**
S. M. Levy, traveling salesman for a San Francisco grocery house, took delivery last night from J. P. Strom, of a 1921 Dodge Brothers

Sedan. This is the fifth Dodge Brothers car bought by Levy, and all of them were purchased from the well-known Richmond dealer. Levy's first purchase was made in 1915. All previous purchases were either touring cars or roadsters. He spends all the week days on the road, and his new Sedan will enable him to be as comfortable motoring through the wind and cold of the bay territory as while riding in a parlor car.

BASEBALL PLAYER WEDS CONCORD'S WOMAN PUBLISHER

Miss Catherine Burke, editor of the Concord Transcript, and Jack Soares, ex-ball player and now a substantial business man of Concord, were married Thursday. They will enjoy a honeymoon trip in southern points and will return to Concord to reside.

By WL Doc Morris

The American Legion club of diamond pastimers will clash with the fast Best Clothiers of Oakland, tomorrow afternoon at the First street grounds. The gents from our neighboring city are composed of a set of tossers that always make it interesting for the opposition and it looks like the locals headed by Manager Taffee will have their work cut out for them.

"Carpenter to permit Dempsey to take the lead," says Francois Descares, manager of the debonair French champ, and by some credited with the glassy hypnotic stare. We heard the folks who made famous Gay Paree and the ditty "Hoo La La" were polite. Now we are certain.

After the Mechanics and All-Standard game Thursday in which Bill Phelps let the former off with a row of zeros, "Handsome" Paulino, erstwhile fly-chaser for the losers accused Pat McDonough's hired men of placing a dictaphone on their bench to steal the signals.

Always thought that a dictaphone was an instrument for the improvement of canned music. Now we know better.

Why not hep up "Big Bill" Woods to this signal stealing stuff. Taint fair.

"Beans" Robins charged the All-Standard players of breaking into the Mechanic's bat chest in the Windsor Hotel club house and soaping their bludgeons to make the hits slide off.

Troubles seem to travel in pairs with these hard luck diamond heroes. Mrs. A. Litts will have to station one of her thoroughbred Airdales in the clubhouse to see that only perfumed soap is used.

Or make 'em use Pears.

Speaketh "Bananas" Viana, left fielder, just to let the wide world in on a little secret—yuh know, he don't want anyone to think any thing: "Oh, I get my three squares a-day."

"Adolph" Humphries, quicker than that: "What?"

This Food Sale Will Aid Some Worthy Girls

The Girls' Reserves of the Y. W. C. A. today are having a food sale in McWhorter's store, Richmond avenue, Point Richmond. The proceeds will go into a vacation fund to be applied to the needs of girls who otherwise would not be able to take a little trip to the country.

It's a very commendable undertaking, and a dollar spent there may help restore the roses to some pale-faced girl who is doing nerve-racking work while lots of happy girls are motoring and playing tennis.

Merchant MacWhorter kindly gave space in his store for today's sale. Will you buy?

SPORTS

Richmond Hi Athletes Win

(Continued from Page 1)

lete and last year's football team captain carried off the 100 yard dash in 10.3 leading Arnold, another local junior, over the wire by a nose after both had qualified for the finals by winning their respective heats. Fisher also captured the high jump and came in first in the 220 yard race in 23.2. Fisher was boxed until a most two-thirds of the lap around, but he gallantly fought his way out, crossing the wire several lengths ahead of Yman of John Swett.

Stoddard Stars in 440
Hale Stoddard set a heart rending pace in the quarter and half mile winning both these events from a fast field. He negotiated the trying 440 in 57 seconds. Donohue, the Mission school entry stumbled at the 200 yard mark. He is reputed to be a 54 second man, a figure recorded by Stoddard on former occasions.

"Turkey" Fitzgerald, as came a thoroughbred as ever answered the starter's gun, put on a burst or two in the final stretch of the mile race, which was too much for Haseltine, John Swett, who came in second. Gillan, a spunky Richmond "HI" freshman who looks to have just stepped into his teens, gritted his teeth and came in fourth. He was given a rousing reception by his mates who almost forgot that a fellow wants to breathe, especially after doing the mile.

Richmond Captures Relay
Richmond High won the \$80 relay race which was productive of high pitch excitement. Mission High was leading, when young Mr. Fisher shot away on the last canto of this race. Fisher forged to the front with plenty of time to spare, but until he did so, it looked like our quartette could bite the dust in this event.

But they do say that a miss is as good as a mile.

It was a great day for the Richmond Union High School boys and Mayor Lane ought to turn over the key to the city to our champion athletes.

Pole vault—Greathouse, Richmond "HI" and Flech, John Swett, tied for 1st place, at 10 feet. (Standards backed height).
110 Stoddard, Rich. "HI", 1st, :57; Wilson, Rich. "HI" and Berg, Mission High, tied for 2nd.
120 high hurdles—Spencer, Rich. "HI", 1st, 15.4; Ouch, Mt. Diablo, 2nd; Roe, Rich. "HI", 3rd.
Javelin—Jackson, Rich. "HI", 1st, 21.6; Siple, Rich. "HI", 2nd, 110.11; Caroché, Mission High, 3rd, 102.4.
Shot put (12 lb.)—Ferrogiorra, Mission High, 1st, 39.9; Jackson, Rich. "HI", 2nd, 39.4; Higgins, Mt. Diablo, 3rd, 37.6; Siple, Rich. "HI", 4th, 37.10.
Mile—Fitzgerald, Rich. "HI", 1st, 5:12.4; Haseltine, John Swett, 2nd; Macchi, Mt. Diablo, 3rd; Gillan.

half of the battery.
"Beauty" Hecker, on the initial sack, Mick Healey, at the keystone, de Luna at third and Collins at short just about take care of everything to come their way. If Ridge kind of gets careless like Artie Muth, Schrader and "Homerun" Casey in the outer garden will try to keep up the record set by our lads at the field and track meet yesterday.

Summer Fashion Week

A Capwell anticipation of feminine apparel needs for summertime, vacations, week - end trips and Sunday outings.

MAY, with its sunshine and flowers, entices every one to the outdoors; to play-times varying from the day's outing to the prolonged vacation. Just how much each woman enjoys these jaunts to seashore, lake, mountains, countrysides and forests depends upon her suitable outfit. Capwell's stands ready to equip Milady for whatever vacation she may choose.

Summer affairs fairly demand

Frocks of Organdy and Dotted Swiss

Quite the vogue for the garden party, afternoon tea or informal dance are these interesting. Summery frocks with their trimmings of small rufflings, tuckings, bandings and profuse use of laces. These are soft, dainty pastel shades, also gay, dashing colorings for sports wear—\$14.95 to \$45.

Knitted Wraps are Newest

Graceful pleated and plain cape-wraps are the newest in sports realms. These are in daintily bright sports colorings, self trimmed or with angora and fringe trimmings.

\$18.95 to \$29.50

Sweaters find new ways to captivate

Fashionable Tuxedo styles, semi-tuxedo, coat sweaters and charming new tie-back effects in both plain and novelty weaves. Everyone acknowledges color as the most important factor in its make-up All the newest colorings.

\$4.95 to \$26.50

—Second Floor

New Blouses

Blouses in a great variety of materials, styles and colorings are here assembled for your selection.
LINGERIE BLOUSES \$2.45 to \$21.50.
COLORED SPORTS LINGERIE BLOUSES \$2.95 to \$5.95.
LOVELY SILK BLOUSES \$3.95 to \$25.00.
MIDY - BLOUSES \$1.95 and \$2.95.
ATTRACTIVE SMOCKS \$3.95 to \$8.95.
—Second Floor.

A New Capwell Service has been Installed Tailored Skirts Made to Order

This splendid new service is offered to women purchasing materials in our piece goods department. An expert tailor with years of experience behind him in first class tailoring establishments is in charge. This department conveniently adjoins those of the piece goods.

Our Special Models are on display

and the prices, which are trifling compared to what tailoring of this high order usually costs, will range from

\$2.95, \$3.95 to \$5.95

for the making, according to model chosen. Estimates will also be given for making skirts, according to patterns selected by customers. (First Floor)

THROAT TROUBLE CURED

Oakland, Nov. 1, 1920. To whom it May Concern:

I suffered from throat trouble for 15 years, during which time I could neither eat nor swallow without pain. I became very weak and was unable to work for months. I had numerous doctors and then tried a Throat specialist, who told me that my trouble was due to the blood.

He advised me to take blood medicine. Thereupon my brother, who had been cured of Stomach Trouble by the FONG WAN HERBS, urged me to try them. After drinking the herbs for 15 weeks, I felt entirely well. I have since gained 25 pounds. It is 10 months since I took the herbs, and I am now giving this testimonial to let the public know that any sufferer should try the FONG WAN HERBS. I am a watchman for the California Food Specialties Co.

COUNTY CASH SUFFICIENT TO TAKE SCHOOLS TO THE FINISH

There is enough money on hand to finance the county schools through the final semester. Superintendent of Schools W. H. Hanlon states that while the coffers have been sorely taxed and hard pressed, there is money enough to bridge all the schools over. Contra Costa county is in better condition than are many of the schools of California, says Hanlon. This is due to the prevalence of an intelligent and dependable budget system which has been adopted annually from year to year. Thus have the schools all been enabled to carry their work forward.

Popular Priced Steam Car Is Put on Market

A new steam automobile priced at one thousand dollars is being placed on the market, according to Motor Land for May. That periodical contains a cut accompanying a detailed description of the machine which is manufactured in Indianapolis, and is offered the public by the Coats Company, with offices in the Merchant's Bank Building, Indianapolis. The car proper is a conventional one, and the cut gives the impression of any one of several makes of five or seven passenger capacity. It has a wheelbase of 110 inches. Following the usual practice, the boiler is located under the hood, and the engine is on the rear axle. An unusual feature of the engine is that it is a six-cylinder, single-acting engine, instead of being two-cylinder, double-acting. Really, there are two engines placed in what ordinarily would be the differential using slightly enlarged. One engine of three cylinders, (spaced at 120 per cent) drives the right wheel directly through the axle shaft and the other engine the left wheel. This obviates the necessity, for a differential. Or, it may be said that the axle shaft is the crank shaft. Steam is carried from the boiler to the engine through a long tube which resembles a torque tube. The exhaust from the engine is carried to the radiator, which acts as a condenser, also through a pipe forming this tube. The bore of the engine is 2 3/4 inches and the stroke 3 inches, and the valves are of the poppet type. Kerosene is the fuel used, and the consumption of one gallon for every 20 to 40 miles is claimed. One filling of the water tank runs a car five hundred miles. The car is fitted with a generator and storage battery, but naturally has no starter. Vaporization is insured by an electrical heating coil at the fuel nozzle, which is controlled by a switch from the dash. The auxiliaries, including the water pump, fuel pump and generator, are mounted a little to the rear of the boiler and all three driven by an auxiliary shaft which runs forward from the right rear axle.

Jump in and Drive Away

With few exceptions, the used car has just commenced its period of real utility and service when it comes on the market. After a few thousand miles, the car gets "into its stride" as it were, and begins to return the money originally invested in it. That's why a good used car is always worth more than the price you pay for it.

We offer some splendid used car opportunities.

Rotarians From Richmond Will Go to Neptune Beach

Richmond Rotarians are going to be represented at the inter-city Rotary meeting soon to be held at Neptune Beach. At yesterday's meeting President Brooks named the following committee to perfect a program: City Engineer H. D. Chapman, James T. Narbett, Richard Stratton, Gus Penning and O. A. Poulsen.

At the luncheon yesterday, City Manager James A. McVittie as chairman of the day showed he could manage men with the facility that he handles a municipality.

The feature of the luncheon was an address by Thomas H. Reed, of the department of political science

of the University of California. He spoke on the subject the relation of citizen to the State, and voiced a dependable recipe for civil virtue. O. R. Ludwig and George R. Callert were made members of the club, and the Richmond Rotarians presented Lund Johnson a gift for the boy baby that came into his home recently.

CLASSY ROADSTER IS PLACED ON DISPLAY

In a carload shipment of automobiles from Detroit yesterday J. P. Strom received one roadster which he has now on exhibition on his salesroom floor. It has been several weeks since he has had a roadster shipment, and in the meantime he has taken four orders for this classy type of car. The automobile public are always welcome and are sure of receiving the most courteous consideration by Strom or his salesmen, regardless of whether they intend to purchase.

Sennett and Hey Rube Feature the T. & D. Show Today

Shakespeare's assertion that "the play's the thing," seems to have been one of two guiding principles for Mack Sennett when he produced "A Small Town Idol," his newest super-production which opened yesterday at the Richmond theater, and will be shown again today. The other stellar light upon which he had one eye focussed was, of course, comedy. There is an harmonious blending of story interest and humor which stamps this production as the comedy king's supreme creation. It is easily discernible that Sennett is making a success of his effort toward development of plot purpose in his big productions.

"A Small Town Idol," has all the well-known Sennett players in its cast, including Bevast, Tarplin, Phyllis Haver, Marie Prevost, Charlie Murray and James Finlayson in the leading roles. It is the first six-reel production Sennett has turned out. Audiences during the opening play's performance found that their attention was sustained throughout the showing of the film. No doubt this is due to the fact that Mr. Sennett has provided authentic interest in addition to his comedy situations.

Spectacle and thrills add their attractions to "A Small Town Idol." The biggest scene that Mack Sennett has devised, and one of the largest that has ever been filmed, is flashed on the screen. In this a multitude of girls, who conform in every respect to the famous Sennett specifications for beauty and figure, appear in oriental costume in a large and magnificent "set."

A Hey Rube comedy and Ford and Select news reels complete the bill.

Surprise Party Given Mrs. Irene Smith Thursday

A large party of friends Thursday night sprung a surprise upon Mrs. Irene Smith at her home at 483, Fourth street. Mr. and Mrs. Smith and the juniors were out mo-

toring, and upon their return home found the party assembled. Games and music were enjoyable features. Earl Wagler's orchestra contributed to the entertainment. The following were present:

Mr. and Mrs. A. J. Waite, Mr. and Mrs. W. F. Randall, Mrs. M. Meyers, Mrs. T. F. McElroy, Mrs. J. R. Spring, Mrs. Lee Richards, Mrs. J. T. Hopkins, Mrs. Preston Rosier, Mrs. W. Conway, Mrs. A. O. Bennett, Mary Bonham, Minnie Helok, Nettie Taylor, Mary Rasmussen, Louise Strom, Margaret E. Simpson, Mrs. Ella Simons, Mrs. R. Topaz, Mrs. E. G. Rutledge, Treva Myers, Leonora Smith, Laura Smith, Violet Hickory, Arvilla Bonner, King Perout, Ella Locke, Irene Richards, Mrs. A. A. Vickory, Mrs. Bonner, Mr. Conway.

There are hundreds of people that are looking for just the thing that you have to sell if you would only advertise.

Fiesta at Crockett Will Feature Fine Warehouse Opening

The Crockett Boosters' Club is preparing for the greatest celebration ever held in the sugar town, on the afternoon and evening of Saturday, May 28th.

The California and Hawaiian Sugar Refining Corporation is just completing the second unit of the biggest warehouse on the shores of Carquinez Straits, and this new structure is to be dedicated to commerce in a fete the like of which has never been held in Contra Costa county. The whole bay district has been invited, and thousands are expected to be in town on that day.

Every preparation will be made to receive and care for these visitors. The new unit of the warehouse to be dedicated is a concrete and steel structure, directly on the waterfront adjoining the C. and H. refinery on the west. It is of concrete and steel, built on concrete piles so as to be immune from attack by the

terrace. The building is two stories, floored in hard wood. It is 300 feet long by 250 feet in width, and will have a storage capacity of 100,000 tons of sugar. It is designed to receive raw sugar directly from steamers, and this sugar will be conveyed into the refinery on automatic carriers.

The dedication of this structure will be marked by the presence of one of the big Matson sugar boats, which will unload into the warehouse with fitting ceremony the first sack of raw sugar. Simultaneously, a Queen of the Revels, chosen by lot from among the beautiful young women will be crowned. There will be a great feast and barbecue, dancing on the floor of the warehouse, to jazz music, and on the deck of the sugar boat to the strains of a Hawaiian orchestra. Altogether, the affair will be one of the biggest things ever given in Contra Costa county. Better plan to go to Crockett and take this in.

DANTE ORDER OF OWLS WILL MEET TONIGHT

The Dante Order of Owls will hold their regular business meeting tonight at W. O. W. hall.

Woman's Death Due to Inexperienced Driver Says Jury

Lack of experience at the wheel of an automobile was the proximate cause of the death of an innocent pedestrian in Berkeley, according to the findings of a coroner's jury in the university city. Miss Anna O. Nilsen, living at 2979 Pacific avenue, was struck by a car driven by Mrs. H. L. Huber, 1407 Euclid avenue. The jury, viewing the cold remains of the unfortunate victim, and hearing the evidence, reached the verdict that the woman at the wheel was inexperienced and failed to act in an emergency.

RICHMOND PLAYWRIGHT SEEKS COLOR IN ISLE OF TAHITI

Tahiti will be the objective point of Cyril Hasson, alumnus of Richmond High, and student at University of California, when he embarks soon. He will gather material for a play, and incidentally will try to absorb some atmosphere helpful to his work as a playwright.

Comfort Insurance

GAS as a fuel protects your home against cold, against fuel storage and fuel shortage, against waste of fuel—against ALL the troubles that are inseparable from the outgrown heating methods of yesterday.

The Home-Staying Dollar

Is the dollar that counts in the long run. It's the dollar that eventually "comes back." If Jones buys a suit of clothes from Smith and Smith buys a pair of shoes from Jones the dollars involved in the transaction stay in Richmond and both Jones and Smith make a profit.

If, however, Jones buys his suit in some other town and Smith goes elsewhere to buy his shoes, both Jones and Smith lose a profit and the money each spends may never come back to Richmond.

Too many Richmond people buy suits and shoes—and many other necessities—in other cities. Richmond is a prosperous community to be sure, but not nearly so prosperous as it would be if we all remembered that the home-staying dollar.

Makes Business Good
